**PETITION UNDER 37 C.F.R. § 1.137(b) TO REVIVE AN APPLICATION
UNINTENTIONALLY ABANDONED FOR FAILURE TO PROSECUTE**

Sir:

The applicant named in the patent application identified above hereby petitions under 37 C.F.R. § 1.137(b) to revive the patent application.

The Applicant received a notice of abandonment in the above-referenced application on October 2, 2007 indicating the application was abandoned for failure to respond to the Office Action mailed January 8, 2007, which set a three month period to respond up to, and including April 8, 2007.

The entire delay in prosecuting the application from the due date for the response until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.

A required reply to the Office Action is filed herewith. A terminal disclaimer is not required because the application was filed after June 8, 1995.

Applicant requests revival of the above-identified patent application.
